Yesterday your student brought home their first quarter Interim Progress Report. Interim Progress Reports provide an excellent opportunity for you to engage in conversation with your student about his or her performance in school. Be sure to ask them about their successes as well as their challenges. While ongoing communication with teachers is important, please mark your calendars for American Education Week and Parent/Teacher Conferences in November. We value you as partners in your child's education and look forward to seeing you then!

Have a fantastic weekend!

Lucy Lublin, Principal
