"Alone we can do so little; Together we can do so much." ~ Helen Keller

We have enjoyed seeing so many of you for Parent-Teacher Conferences this week! We value your partnership in the education of our students. It is a fact that one of the keys to a child's success is the involvement of parents and guardians. While we set aside days in fall and spring specifically for this purpose, please know that your involvement is wanted and welcomed throughout the school year. Stay in touch with your child's teachers via phone, email, Canvas and, of course, in person when you can.

Don't forget to "Spring Forward" this weekend by setting clocks ahead one hour Saturday night. Apparently no one told Mother Nature that we are springing forward - she thought it was time to fall back to winter :) Stay warm this weekend and dust off those snow shovels!

Lucy D. Lublin
Principal

COURSE PLACEMENT RECOMMENDATIONS INFORMATION...In

preparation for the 2017-2018 school year, students have received course placement recommendations based upon multiple criteria, including classroom performance, student interest, and results on standardized measures. As we work together to provide students with the most challenging courses in which they can be successful, we are offering families the opportunity to make adjustments to the recommended academic program if they feel their students are demonstrating readiness for more advanced levels of instruction. If, after reviewing the *Course Placement Review* form and the Middle School Course Catalog <http://www.hcpss.org/f/academics/ms-catalog-2017-18.pdf>, you wish to request changes in course placement, then please visit <http://www.hcpss.org/academics/#ms-course-review> to print out, complete, and return the *Course Placement Review Form* to Student Services by Monday, March 20, 2017. If you have any questions, please feel free to contact your student's school counselor at 410-880-5997.

Gear Up for 9th Grade Summer School Info

Below is the link to information and a letter for rising 9th grade students who are below grade level in reading or math.
