17 days and counting...it is hard to believe that the end of this year is so near! While students' thoughts may be turning to summer and fun, it is important that we maintain our focus on instruction and positive choices in and out of the classroom. We are all excited about all of the events over the next few weeks: 8th grade Boat Trip, Chorus Concert, PTA Lime Time, and 8th grade Promotion and Dance, just to name a few. Despite these exciting interruptions, teachers are doing a fantastic job of planning instruction that is engaging and rigorous until the very end. Students should come to school each day prepared to learn and ready to "ROAR" to the end of the year!

Thanks to all of you who came to our G/T Enrichment Fair last evening. It is always a pleasure to showcase the talented students at LKMS.

Have a wonderful (cool:) weekend!

Lucy Lublin, Principal
