IMPORTANT DATES:

September 27	6 th Grade Ice Breaker
September 27	Postponed
September 29	Picture Day Part 2
October 20	Professional Work Day. Schools closed for students.
October 30	Picture Make Up Day

Parents and Guardians,

Unfortunately, due to technical problems with 2 of 3 cameras, we were not able to proceed with taking of all student pictures today. We were able to take pictures of ALL 7th grade students who were present in school, only a small number of 8th grade students, and no 6th grade students. We are very sorry for this inconvenience, however due to only having one camera available we were not able to finish students before needing to clear the cafeteria for all lunch shifts.

Lifetouch Photography will return on Friday, September 29 to take initial photos of students who did not have their picture taken today. They will return again on October 30, 2017 for picture retakes for anyone who is not satisfied with their photos.

We are very sorry for any inconvenience this may have caused.

PLEASE MAKE SURE YOUR STUDENT HAS TISSUES WITH HIM/HER.
Send in a box for the class!

FLU SHOT POSTPONED...Due to lower-than-expected numbers for our upcoming flu clinic next week, we have decided to postpone our clinic until mid-October in order to give families more time to complete and return consents. Your children will all be bringing home paper copies of the consent if they haven't already. IF YOU HAVE ALREADY COMPLETED AN ELECTRONIC OR PAPER CONSENT, you do not need to fill out another one. If you haven't yet filled out a consent and would like your child to be vaccinated against the flu, please fill out either the paper consent that comes home with your student or the online consent at www.vaccineconsent.com by (10/28/17- please disregard the due date on the paper consent). You will be notified of the new clinic date as soon as it is determined. Thank you for your patience and flexibility.

Gifted and Talented Education Program Overview

7:00 - 8:00 G/T Education Program - Auditorium
G/T Program staff members and students present a comprehensive overview of the G/T Program offerings at the elementary, middle, and high school levels. Learn about the advanced-level offerings that are available through the G/T Education Program and how your child can become involved!
