*Gratitude is the inward feeling of kindness received. Thankfulness is the natural impulse to express that feeling. Thanksgiving is the following of that impulse.*

-Henry Van Dyke

What a wonderful past two weeks at Lime Kiln! Parents enjoyed visiting classes during American Education Week. Eighth grade Spanish students experienced flamenco dancing on their field trip. On Monday, our students and staff ran our annual Turkey Trot, waving as we went past the farm. Today, eighth grade students participated in Career Day where they learned about a variety of careers from many speakers, including engineers, graphic designer, veterinarian, nurse, entrepreneurs from Scoop and Paddle, referee, to name a few. We celebrated students who made the Principal's Honor Roll with treats Monday and Tuesday. We are enjoying seeing so many families during our parent-teacher conferences. A special thank you to our PTA for a delicious dinner for our staff!

As we reflect this season, we are so grateful for our wonderful students, supportive parents, and our staff. All of you make Lime Kiln a wonderful place to be. We wish you a very happy, restful, and safe Thanksgiving with friends and family.

PLEASE MAKE SURE YOUR STUDENT HAS TISSUES WITH HIM/HER.  
Send in a box for the class!
