Ms. Jones is looking forward to introducing herself to the Lime Kiln community, sharing her ideas for Lime Kiln, and answering questions from the community.

**HCPSS Director of Equity Initiatives for School Leadership, Dr. Monique Lamar, will also be joining the PTA meeting at 6:30.**

Dr. Lamar will be working with LKMS parents to focus on creating a community of care in the school by celebrating the unique identities of each member of the LKMS community.

Are you looking for a way to contribute to your child's experiences in middle school? Do you want to connect with your community and help steer the activities for students, teachers and staff? **WE NEED YOU!**

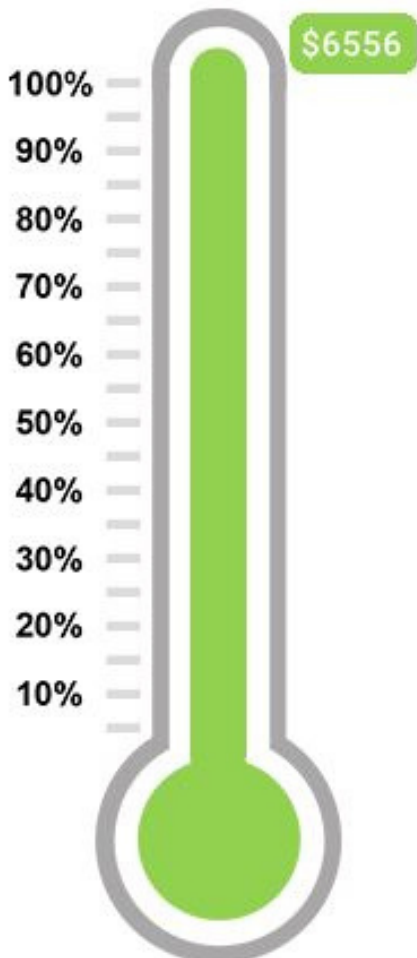

Many members of the executive board are in their final year of middle school parenting and will no longer be with us next year. We have positions ranging from Executive Board Members to Committee Chairs. If you're at all curious, please feel free to reach out to [LKMSPTA@gmail.com](mailto:LKMSPTA@gmail.com)!

## THANK YOU

**With your amazing support and participation, we have reached our \$6,500 goal for Direct Donations, Spirit Wear sales and Gotta-Eat Nights!!!**

Thank you, thank you, thank you!!! With three more months until the end of the school year, we will continue to have additional Gotta-Eat-nights and advertise spiritwear sales to make the upcoming events for our staff and students **EVEN BETTER!**

Direct Donations are still welcome, too! You can write a check made out to: Lime Kiln Middle School PTA or click on the PayPal direct donation button below!

The Reservoir High School Boosters' Summer Camps will be held weekly beginning June 20th through August 8th. Elementary and middle school children of all ability levels are welcome! The camps are designed to provide opportunities for children to try something new or continue to build fundamental skills through engaging activities in an encouraging, educational environment. We offer a variety of programs including art, cheer, basketball, baseball, field hockey, lacrosse, soccer, softball, tennis, volleyball and general sports. Camps are led by Reservoir High School coaches, all of whom have extensive teaching and coaching experience. With the support of alumni and current high school athletes, campers benefit from small group instruction, but best of all ... it's FUN!

## COLLECTING WOOD PLANKS!

Did you take home a wood plank from Ms. Bae in 2019? Did you decorate your plank? Do you still have your plank? If so, please return to Ms. Bae so the school can complete the LKMS mural.

## Bottle Cap Mural

The Environmental (STEAM) seminar needs your help. We are collecting plastic bottle caps of all sizes and colors to make a wall mural. As you can imagine we need thousands of caps. We can use the caps off water, soda, juice and even pill bottles. We will have collection boxes in the main hallway and the cafeteria.

## **COMING the month of April - Clouded Leopard Spring Break Bonanza!**

The PBIS team would like to celebrate all of our students at Lime Kiln and we need your help! Our Snow Leopard Bonanza, just before winter break, was so successful that both the students and staff began asking if we were going to have another bonanza!

The Clouded Leopard Bonanza will take place right before spring break. **We are in search of small prizes to be raffled off to students on April 6 - 8.** Students who are ROARing (being responsible, organized, achieving and respectful) will receive raffle tickets in class for chances to win prizes for the month of March and the first few days of April.

Our Clouded Leopard Bonanza will have a spring theme. We are looking for sports equipment and items to use outside. Some other ideas could include books your child no longer reads, lotions, ear buds, pop sockets, small puzzles, fun school supplies, and gift cards (\$5-\$10) --TuttiFruitti, Target, Chipotle, McDonalds, Chick-fil-a are favorites! Anything you want to get out of your house and think another middle schooler would enjoy! If you are watching Marie Kondo's "Tidying Up", an item may not "spark joy" with your middle schooler, but it could "spark joy" for another! What a great way to recycle a gently used item!

**Students or parents can drop off donated items to the Front Office through March 30.** Thank you so much for your support, and we know the students will be excited for our special "Clouded Leopard Spring Break Bonanza"!
