Mark your calendars for  
LIME TIME!

Thursday 9, June 2022\*  
3:10 – 5:15 pm

Lime Time is a PTA sponsored end-of-year celebration for **ALL LKMS students**. Afterschool the students will enjoy food and games!

A \$5.00 participation fee will be charged.

Save the date and your PTO to volunteer your time to make this an amazing celebration for our LKMS students – they deserve some FUN!

**We need volunteers from all grade levels!**

A Sign-Up Geniusform will be sent out in May.

\*Rain date – Monday 13, June

## 8th Grade Dance

The 8th Grade dance will be **June 3rd 6:30pm to 8:30pm**. In past years, 6th and 7th parents have taken an active role in planning and helping the night of the dance. 8th grade parents are also encouraged to help!

On the night of the dance, it would be great to have many 6th and 7th grade parents helping so the 8th graders don't feel like mom and dad are watching them.

We will need volunteers for the following:

- Food - drinks, chic fill a and snacks
- Decoration Pick Up from Good Counsel
- Decorate the day of the event/take down decoration after the event
- Games/Fun activities for the kids
- Chaperones/Check in and Check out kids

If you are interested in helping to plan this event you can **email Hope Ripkin at [hripkin75@gmail.com](mailto:hripkin75@gmail.com)**. A sign-up genius will come out later for chaperones.

The Reservoir High School Boosters' Summer Camps will be held weekly beginning June 20th through August 8th. Elementary and middle school children of all ability levels are welcome! The camps are designed to provide opportunities for children to try something new or continue to build fundamental skills through engaging activities in an encouraging, educational environment. We offer a variety of programs including art, cheer, basketball, baseball, field hockey, lacrosse, soccer, softball, tennis, volleyball and general sports. Camps are led by Reservoir High School coaches, all of whom have extensive teaching and coaching experience. With the support of alumni and current high school athletes, campers benefit from small group instruction, but best of all ... it's FUN!

## COLLECTING WOOD PLANKS!

Did you take home a wood plank from Ms. Bae in 2019? Did you decorate your plank? Do you still have your plank? If so, please return to Ms. Bae so the school can complete the LKMS mural.

## Bottle Cap Mural

The Environmental (STEAM) seminar needs your help. We are collecting plastic bottle caps of all sizes and colors to make a wall mural. As you can imagine we need thousands of caps. We can use the caps off water, soda, juice and even pill bottles. We will have collection boxes in the main hallway and the cafeteria.
