

Registration for New Students

Registration for *new* students is open for the 2021-2022 school year and all enrollments will be processed via online registration. Students currently enrolled in the LKMS attendance area will automatically rollover to the new school year and next feeder school.

- To enroll your child visit the HCPSS Enrollment page here: <https://www.hcpss.org/enroll/>.
- Review Steps 1 - 5 and other [FAQ's](#) regarding enrollment and residency.
- After beginning the registration process online, your child's school will contact you to schedule a virtual meeting to complete the registration process.

A complete description of documents is referenced on the enrollment page under Step 3 - Gather Documentation. ***Please note: we are not able to accept documents in-person at the school building until further notice.***
